GAVE HIM THE LIE.

And Doc Returned It With a Punch On the Nose.

There are champions of various kinds, but the champion of champions in the eye of the public is he who comes to the defense of woman in the hour of distress and trial.

An incident occurred the other day in which Doc Wallace figured in a role in which he appeared as the champion, and, be it said, none to his discredit.

There is an individual—for reason of our own we will not give his name this time—who is charged with mistreating his wife, but his neighbors have heretofore refrained from interfering with other people's family troubles.

On this occasion, however, the screams were loud and piercing, indicating that the poor woman was in dire distress and in need of aid.

There being a "phone at Mr. Wallace's home, a member of the family called up police headquarters and soon a guardian of the peace hove in sight and was soon on the ground.

Of course, as is usual in such cases—that is, trouble between man and wife—when the officer arrived all seemed lovely and the goose hung high. There was not a sign of discord, and as a consequence no arrests were made.

The aforesaid individual being of small physique, but of quick temperament, felt that in some way he had been insulted; that something must be done to reinstate himself with a good opinion of himself.

In this mood he butted up against Doc—who by the way must have been feeling pretty good himself—for the conversation had not proceeded far when the man with the quick temperament and injured feelings gave Doc the lie, and what followed may be imagined.

After picking himself up and dusting the dust from off his clothes, he gazed around to see if a house had fallen on him, but such was not the case. Neither had a mule kicked him; it was only one of Doc's ham hands that had made connection with his proboscis.

If all is true that we have been told—and we do not doubt it—Doc served him exactly right.

Distress After Eating Cured.
Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my digestion is refreshing and digestion perfect." Sold by J. Jas. Wood & Son.

At the Kentucky Conference of the M. E. Church, South, at Cynthiana, Mr. W. W. Ball of this city was selected to serve for three years on the Board of Education of Kentucky Wesleyan College, Winchester.

Mr. Andy C. Sphar is tearing away part of the stabling on the Fairgrounds, the lumber to be used for inclosing the Grand Stand, and the Floral Hall will soon be dismantled and two or three cottages built of the material.

Mrs. Roe Beckett, who has been in a critical condition at her home at Mt. Carmel, is reported this morning somewhat better. Mrs. Beckett was formerly Miss Sallie Metcalfe of this city, and her friends are glad to note her improvement.

Thos. Gaskin, who was arrested several weeks ago charged with murder—kicking a woman in the side and causing death of child—who was acquitted but held on a charge of assault and battery, was acquitted in Judge Newell's Court yesterday of the latter charge.

MRS. MARTHA MARTIN.

Mrs. Martha Martin died this morning between 4 and 5 o'clock at her home in East Third street, after an illness covering over two years.

Mrs. Martin was born near Indianapolis, Ind., November 25, 1835. She came to this city when a small child and had resided here continuously.

She was twice married and has two children living by her last husband—Messrs. W. T. Martin of this city and D. C. Martin of Cincinnati. Mrs. Martin was a consistent member of the Christian Church, having associated herself with that denomination early in life.

The funeral will occur at 4 o'clock tomorrow afternoon.

MRS. S. M. WORTHINGTON.

Mrs. Samuel M. Worthington died at her home near Fernleaf at 5 o'clock this morning. Funeral Thursday morning at 10 o'clock at Germantown.

She was a daughter of the late Thomas Worthington, and a most estimable lady.

A husband and a large family of children survive her.

MRS. LILLIAN COX.

Friends and relatives in this county will deeply regret to learn of the death of Mrs. Lillian Cox, wife of Mr. James F. Cox, which occurred Wednesday last at her home in Columbus, Ind.

Mrs. Cox was formerly of this county, and was a sister of Mrs. John Raina of this city. Mrs. John Tucker and Mrs. Ross P. Gault of this county.

She was 44 years of age and is survived by two children, Charlotte and Lon, the latter being in Missouri.

Mrs. Cox had been ill several months and lately had undergone an operation, but medical aid was unable to overcome the ravages of disease.

The interment occurred Friday at Columbus.

SOME PRIZE MULES.

The Board of Trade's Offer Drew a Good Crowd Yesterday.

The County Court Day offer of prizes for the best and second best suckling mules brought quite a number to the city yesterday, and there was a good crowd in Third street to see the winners, who were—

Best mare mule \$5, Mannion Bros., Mayslick; second best \$2.50, Theoderick Owens, Germantown.

Best horse mule \$5, James Morgan, Murphysville; second best \$2.50, Clarence Tucker, Washington.

NARROW ESCAPE.

Mr. and Mrs. Walter Green Figure in An Ugly Accident.

Mr. Walter Green, a brother-in-law of Mr. Andrew Curtis of this city, met with a serious accident yesterday.

Mr. and Mrs. Green and little daughter had driven from Ripley to Germantown and were on their return home.

When about a mile this side of Germantown the horse was frightened by a hog running in front of it.

The horse became unmanageable and precipitated bumpy, occupants and all over an embankment.

In the fall Mrs. Green had an arm broken, Mr. Green was bruised, the buggy partly wrecked, the horse scratched a little, and strange to say the baby did not get a scratch. By the assistance of passers-by, Mr. Green finally righted the buggy and proceeded on to his home at Ripley.

A Purgative Pleasure.

If you ever took Dr. Williams' Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex., says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by J. Jas. Wood & Son.

Colonel and Mrs. C. C. Degman were pleasant callers on THE LEDGER yesterday, the Colonel having just returned from an extended trip to the Pacific Slope and the great Northwest, including the National Encampment of the G. A. R. at San Francisco. Mr. Degman has the Editor's thanks for a Souvenir Badge of the latter event.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.

THE Porte has notified the Powers that it cannot guarantee the safety of the Legations at Constantinople. Which being the case, it is up to the Powers to do a little protecting on their own hooks.

In opening his campaign at Winchester, Governor BECKHAM said—

"If I am re-elected, I pledge you that I will never authorize a pardon or a commutation of the sentence of CURT JETT and TOM WHITE, for I believe them guilty of the assassination of Attorney MARCUM."

This is the same pledge, with the names added, that Mr. BECKHAM made in his former campaign, when he said "he would not pardon any man who had been convicted by twelve men;" and yet, when he became Governor, he did pardon this very self-same CURT JETT and 224 other men "who had been convicted by twelve men." But do you observe that the expectant Governor doesn't say that he will not authorize a pardon for perjurer YOUTSEY?

THE esteemed Bulletin prints a screed from The Columbus (O.) Press, bearing on the Caleb Powers case, and ventures the remark that THE LEDGER will not publish it. For once, The Bulletin is right. THE LEDGER doesn't wish to insult the intelligence of its readers by filling its columns with such rot. However, it will reproduce a single sentence of the article, to show how wonderfully it is made up, and to give an idea as to the tenor of the whole production. Here it is—

"For it was mob violence that TAYLOR incited in Frankfort to steal an office and CALEB POWERS was one of his accessories."

The Columbus man may be excused on the plea of ignorance of facts, but there can be no possible extenuation for the Maysville man in republishing such a perverted statement—unless his sole purpose is to deceive the ignorant.

In 1899 the vote for Governor stood—

W. S. Taylor 103,714
William Goebel 101,331
Taylor's majority 2,383

Upon this vote two out of the three Democratic Election Commissioners—Judge PRYOR and Captain ELLIS—certified to Governor TAYLOR's election, issued to him a certificate according to law, and he was formally sworn into office by Judge HAZELRIGG, Democratic Chief Justice of Kentucky, and he and the other lawfully elected Republican state officers entered upon their duties.

These are facts that cannot be altered.

Just how TAYLOR could "steal an office" to which the people had elected him, and to which the Democratic Election Commission had given him a certificate, and the oath of which had been administered by the Democratic Chief Justice, and upon the duties of which he had entered by all the legal forms provided by even the infamous Goebel Election Law—these are matters for The Bulletin and the Columbus blunderer to explain.

A passenger train ran from Chicago Junction, Ohio, to Garrett, Ind., a distance of 128 miles, without a stop, in 125 minutes.

A Pittsburgh newspaper claims to have information that at least \$180,000,000 worth of building operations proposed for 1904 have been called off.

Prices of glass will be raised as a result of an agreement entered into at Detroit, Mich., Sunday, between the glassblowers and glass manufacturers.

The annual report of Secretary Hester of the New Orleans Cotton Exchange puts the cotton crop of 1902-3 at 10,727,539 bales, an increase of 46,879 bales over last year.

Rev. Dr. P. A. Baart, Rector of St. Mary's Church, Marshall, Mich., in a sermon Sunday declared that no Catholic could consistently take or keep the oath of Labor Unions.

In consequence of a complaint made direct by a Negro prisoner to President Roosevelt, the County Jail of Richmond county, Ga., has been pronounced unfit for the detention of prisoners.

Stomach Trouble.

"I have been troubled with my stomach for the past four years," says D. L. Beach of Clover Nook Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach try a box of these Tablets. You are certain to be pleased with the result. Price 25c. For sale by J. Jas. Wood & Son, Drugists.

DURING the last fiscal year 41,000 names were dropped from the pension rolls on account of death, which indicates that the old soldiers are fast disappearing. The death rate is from 2,000 to 5,000 a month.

WHILE Governor BECKHAM is promising not to pardon CURT JETT and TOM WHITE in case he is re-elected, it might be well to know if he intends to let CALEB POWERS hang, according to the verdict of TOM CAMPBELL's unanimously Democratic Jury?

GOVERNOR BECKHAM says the present Democratic Administration has decreased the state debt from \$1,000,000 to \$500,000. Yes; with the \$1,323,999.35 undisputed war claim that the Republican Congress voted and the Republican Administration at Washington provided. CREEPS ought to have told where the money came from.

THE Courier-Journal of the day before said that 10,000 people were expected at Winchester at the opening of the Democratic state campaign; and The Courier-Journal of the day after said that only 6,000 were there. If the other Democratic "claims" fall down in like proportion, Mr. BELKNAP's majority will paralyze PERCY HALEY.

THE first "official" list of pardons granted by Governor BECKHAM contained the names of only 188 criminals. When the Republican papers challenged the correctness of this list, a second "official" list was published which contained 225 names. The Lord only knows what a third "official" list will develop.

BECKHAM the Candidate swore by the Great Horned Spoon that if he was elected he would "pardon no man who had been convicted by a Jury of twelve men;" and yet his own "official list," made up by his own officials, after side-tracking some of the most notorious instances of his clemency, shows that BECKHAM the Governor has pardoned 225 criminals who had been convicted by a Jury of twelve men—and 14 of these were murderers.

THE total number of authenticated cases of death or severe injury due to the Fourth of July, 1903, was 4,458. Of these 415 deaths were due to the toy pistol and lockjaw; 60 resulted from the use of fireworks or explosives not causing lockjaw; 10 persons were made blind, 75 lost one eye each, 54 lost hands, arms or legs, 174 lost one or more fingers and 3,670 received other severe injuries. These figures represent only the cases where full authentication was possible, and are not believed to present one-half of the real number of Fourth of July accidents in the United States.

Which is wiser, to have confidence in the opinions of your fellow citizens of people you know, or depend on statements made by niter strangers residing in far-away places. Read the following: Mr. George N. Crawford, blacksmith and wheelwright, corner of East Second and Lee streets, says:

"The great benefit which speedily follows the use of Doan's Kidney Pills seems little short of miraculous. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and by the time I had used one box I was cured. If any one suffers from kidney trouble while such an effective kidney cure as Doan's Kidney Pills can be had the fault is their own."

A Remarkable Record.
Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by J. Jas. Wood & Son, Druggists.

The Genuine vs. Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter of Shreveport, La., says: "After using numerous other remedies without benefit one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by J. Jas. Wood & Son.

GOOD LIVING
Quite often results in bad health, because what is termed "good living" is usually the gratification of the palate without reference to the nutrition of the body. When the good liver is a business man and rises from a full meal to plunge at once into work requiring mental effort the result is almost sure to be disastrous, because digestion draws upon the same nervous forces which are employed in thought. In time the stomach becomes diseased, the processes of digestion and nutrition are imperfectly performed and there is a physical breakdown. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It eliminates the effete poisonous matter which originates in the system as a consequence of imperfect digestion. It gives sound health to the whole body.

COUNCIL PROCEEDINGS

Council met in regular session last night, Mayor Stallcup in the chair.

The Mayor reported that he had collected during the past month \$137.92 for licenses issued.

The report of the Police Judge was as follows:

Replevied.....	82.00
Worked out.....	132.90

Escaped.....	30.50
PL. fa.....	41.85
Total.....	\$479.95

The Wharfmaster reported net collections for the past month \$68.26.

The report of the City Treasurer totals as follows:

Balance.....	\$ 521.75
Receipts.....	4,831.88
Total.....	\$ 5,353.63
Expenditures.....	4,010.55
Balance on hand.....	\$ 1,043.08

The report of the Claims and Accounts Committee was as follows:

Alms and Almshouse.....	\$ 173.40
Internal Improvements.....	678.60
Gas and electricity.....	309.66
Boarding and guarding prisoners.....	123.40
Miscellaneous.....	883.02
Total.....	\$2,228.08

City Treasurer Fitzgerald reported \$338.80 due the School Fund.

Building permits were granted as follows:

Joe Jordan, colored, one-story frame dwelling, East Fourth street, Fourth Ward.

Len Funnell, one-story porch in front of residence, East Fifth street, Fourth Ward.

Thomas Tolle, coal and smokehouse in rear of property in Second street, Sixth Ward.

George H. Fisher, one-story frame stable in Forest avenue, Sixth Ward.

Dr. W. S. Yazell, City Physician, reported the Almshouse in excellent condition and very little sickness among the inmates.

A petition signed by a large majority of the residents in that vicinity called Council's attention to the fact that some property owners in Fourth street, between Limestone street and Cherry Alley, had neglected to put down sidewalks in front of their property, and asked Council to give it attention. The matter was referred to the Sidewalk and Gutter Committee to have the places surveyed and an ordinance drawn to have the sidewalks put down.

The Internal Improvement Committee reported quite a number of repairs completed and had a number continued through this month.

The Fire Committee reported the coupling for the Amazon Fire Company as having been placed in the possession of the Company.

Street Commissioner Smith, to whom was referred the matter of bringing in plans and specifications for the building of a sidewalk along the Wall street side of the McKibben property at the corner of Front and Wall streets, reported a resolution, which was read for the first time, ordering the Commissioner to do the work and take a lien on the property until it is paid for by the owner. Mr. McKibben was given sixty days to put down the sidewalk. The resolutions will come up next meeting night for passage.

The Turnpike and Railroad Committee was granted further time in regard to the safety-gate at Union street in the Fifth Ward.

All the repairs to Limestone Bridge were reported completed.

The Mayor was instructed to write to Attorney General Clifton J. Pratt for his opinion as to whether or not Mr. F. Stanley Watson was guilty of usurpation of office. Mr. Watson and Council made some kind of an agreement whereby those who had not given in their property for assessment would be assessed and back taxes collected. Mr. Watson did this, and now Council wants to know whether he was right or wrong.

The Police were instructed to notify people to quit throwing ashes and garbage in the vacant lots and alleys in the city.

Some time ago Council made an order compelling people to quit throwing ashes and garbage in the streets and alleys, not to keep garbage in their yards or about their premises, and then had signs put up in the only places people had to throw their garbage warning them not to throw it there. If people throw it in the river Uncle Sam will get after them. They can't burn it, because watermelon rinds and wet garbage won't burn; and it's a cinch that they can't eat it. Query—What are the people to do with their garbage?

Mr. Walter Watson was granted permission to tap into the sewer at Second and Market streets, the work to be done under the supervision of the Internal Improvement Committee.

The foot bridge over Goose creek from Second to Hall street, West of Commerce, was ordered repaired.

Council ordered markers put up at the graves of "Aunt" Polly Clinger and daughter, Mrs. Emma Greenwood, both of whom died in the Almshouse, and the mother left some money in the city's care.

Two \$500 emergency bonds were ordered issued to pay current expenses.

"My Sons,"

said a great business man, "are my partners and they need all the strength and courage I can give them," and he forthwith paid for a \$1,000,000 policy in The Mutual Life Insurance Company of New York. Not without the most careful investigation, however, extending over six months. He was convinced by just such facts as led the President of a National Bank in New York to make the curious and shrewd provision in his will, which is contained in "A Banker's Will." CAUTION:

This is not a gentle word—but when you think how liable you are to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Roscoe's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The size has just been introduced this year. The size has just been introduced this year. The size has just been introduced this year. At Henry W. Ray's, next door to Postoffice.
